

Research & action
targeting emerging infectious diseases

ACTIVITIES

Our two main missions: Preparing and Responding to Emerging Infectious Epidemic Threats

PREPARDNESS

RESPONSE

Ne quidem magistris id ad adseclae cum ventum minimarum disciplinarum haut liberalium id est ut.

- ✓ Identification of research priorities
- ✓ Stimulation and coordination of research projects
- ✓ Response to call for proposal for funding
- ✓ Provision of methodological, data and statistical centers
- ✓ Support to ethic and regulatory compliance
- ✓ Connecting health authorities and researchers

Quod si rectum statuerimus vel concedere amicis, quidquid velint, vel impetrare ab iis, quidquid velimus.
